

CO-PACKING SOLUTIONS

For RTD Food Supplement & Nutrition Category in Eastern Europe

Four main sub-categories of FSN

There is growth in all sub-categories, led by Lifestyle nutrition

1

SPORTS nutrition

Improves physical and mental performance, such as gaining muscles, boosting energy levels or increasing metabolic rate.

2

LIFESTYLE nutrition

Provides additional nutrients to healthy consumers with no specific dietary requirements. Indulgence and nutrition in a convenient way.

3

SPECIAL nutrition

Meets the nutritional needs of people with health conditions, food intolerances, allergies or dietary restrictions.

4

MEDICAL nutrition

Formulated for the dietary management of medical conditions, diseases or nutritional deficiencies, usually administered under medical supervision.

Tap into one of the fastest-growing food categories RTD Food Supplement & Nutrition beverages without the need for heavy capital investment.

Our trusted co-packing partners offer a variety of flexible solutions, including a wide range of packaging sizes and formats, tailored product options, and convenient locations across Eastern Europe.

Whether you're expanding your product line or entering new markets, we provide the flexibility you need to choose the best fit for your business.

Start growing your brand today with scalable, efficient co-packing solutions!

Different ways to boost your ready-to-drink FSN beverage

Tetra Prisma® Aseptic

Ideal on-the-go FSN packages combine ergonomics, convenience, efficiency and style while protecting the contents of the package, wherever it's kept.

Tetra Brik® Aseptic

This robust and striking package comes in a variety of sizes that make it a great choice for any long-life FSN beverage.
