

# Be: A better future

Be: Circular

**24.7%**  
GLOBAL RECYCLING  
rate of Tetra Pak®  
packages in 2018.

Tetra Top® with  
**SEPARABLE TOP** makes  
the recycling easier.

We support a circular economy  
through **RENOVATION** and  
**RESALE** of used equipment.

**eBeam**  
saves **UP TO 33%**  
on electricity.  
Use of eBeam instead  
of H<sub>2</sub>O<sub>2</sub> means  
**EASIER WATER  
RECYCLING.**

Be: Natural

In 2016, we introduced the  
first aseptic package certified  
for its use of materials from  
**RENEWABLE SOURCES.**

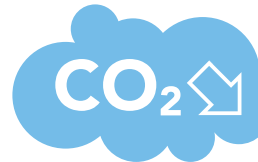

**OVER 70%**  
of our beverage cartons  
are **FSC™-LABELLED.**

In 2015, the world's first  
**FULLY RENEWABLE** carton  
package hit the shelves.

Be: Kind

In 2018, Tetra Pak achieved  
**50% RENEWABLE ELECTRICITY**  
consumption in its operations.

We offer lightweight packages,  
that use fewer materials and  
**LOWER THE CO<sub>2</sub> EMISSIONS.**
