CB Registration No. 592

The scope of this certificate shall be limited to:

Mechanical Processor: 2 Processing Facilities, 4 Traders

Input: Polymer with recycled content in pellet form.

Output: Coating resin and injection molding resin.

This RSB certificate was issued under accreditation by a RSB recognized certification body for compliance with the RSB standards and the RSB certification systems.

Certificate Code: **SCS/RSB-C-0039**

RSB Participant Code: **2128**

Valid from: **21 August 2020 to 20 August 2025**

This RSB certificate is only valid if duly registered in the RSB database(s) of registered RSB certificates and that the validity of this RSB certificate shall be verified in the RSB database(s) of registered RSB certificates. Please see <http://rsb.org/certification/participating-operators/>. This certificate itself does not constitute evidence that a particular product supplied by the certificate holder is certified to RSB standards. This certificate shall remain the property of SCS, and all copies and reproductions shall be returned to SCS immediately upon request. Products offered, shipped or sold by the certificate holder can only be considered covered by the scope of this certificate when the required RSB claim is clearly stated on product delivery notes.

A handwritten signature in black ink that reads "Stanley Mathuram".
