Need a recycling bin* for UBCs (**for used beverage cartons only**) (YES / NO)

Existing LGD participating centre? (YES / NO) – **Please update the above details if you are an existing participating centre**

Terms and conditions

(i) We are committed to ensuring that UBCs will be deposited into the recycling bin provided. (ii) We will inform our students and members of our school to empty, flip, flap and flatten the drink cartons before depositing them into the recycling bin. (iii) We are aware that the collected UBCs are to be transferred to the nearest centralised recycling bin in the HDB estate. (iv) We are aware that due to limited stock for the special recycling bins, all applications for the recycling bins and entry for the participation will be on a firstcome-first-serve basis; (v) Bin size is approximately 0.8 (L) X 0.6 (W) X 1m (H) and is sponsored to the participating centre. There will not be retrieval of the bin sponsored. You are encouraged to create your own bin using waste materials e.g. cardboard boxes or other materials accessible in daily life. Please indicate "No" if you do not need an LGD recycling bin to conserve resources. Kindly note that the talk requested is confirmed only when you receive a confirmation email from the organiser.
