- Others

If you have selected 'Others', please indicate the Public Waste Collector in charge \*

*Terms and conditions \**

*(i) We are committed to ensure that UBCs will be deposited into the recycling bin/s provided. (ii) We will inform our students, canteen users and members of our school to empty, flip, flap and flatten the drink cartons before depositing them into the recycling bins. See below for the steps. (iii) We are aware that the weight provided by the Public Waste Collector will be based on estimation may have error margins. Any dispute on the weight will be resolved by providing evidence of the actual weight collected by the school. (iv) We are aware that due to limited stock and sessions for the special recycling bins and talks / workshops, all applications will be based on a first-come-first-serve basis. (v). **The talk / workshop requested is not confirmed until you receive a confirmation from us.***
