**Bangkok, Recently** - Tetra Pak, the world's leading food processing and packaging solutions company, participated in the 2019 World Environment Day held at IMPACT Exhibition Center. The event, organised by the Department of Environmental Quality Promotion, Ministry of Natural Resources and Environment was orchestrated under the overarching theme of "Beat Air Pollution"

Tetra Pak has exhibited its "Green Roof Project for Princess Pa Foundation" — the initiative which aims to educate consumers and encourage collecting and recycling beverage cartons into corrugated roofing sheets, which are then used to construct homes and shelters for natural disaster victims and other needy communities nationwide. Tetra Pak has continually carried out this project in collaboration with Princess Pa Foundation, Thai Red Cross, Big C Super Center and TV 360 Degree. This year The Green Roof Project has moved into its 9<sup>th</sup> year and continues to champion the sustainability movement in Thailand.
