Tetra Pak Thailand Participates at NSF Event

Bangkok, Recently - Tetra Pak, the world's leading food processing and packaging solutions company, delivered a presentation at "the Bottled Water Industry - Sustainability and Innovation Trends" seminar hosted by NSF Services, a global leader in public health and safety. The event, which brought together representatives of government organisations, NGO's and private sector provided a platform for discussing the development of public health standards and certification programs to help protect the world's food, water, consumer products and environment.

Mr. Bert Jan Post, Managing Director of Tetra Pak (Thailand) Limited shared with the participants how his company's commitment to its brand promise — "Protects What's Good" — extends beyond protecting food which is the company's core purpose to protecting people and to protecting the futures the planet.

Among the attendants were 1. Jyoti Bhasin - Regional Director India and Middle East and Associate MD of the NSF Beverage Quality Program 2. Supanat Ratanadib – Marketing Director, Tetra Pak (Thailand) Limited 3. Naruemon Kaewmanee - Customer Service Manager, NSF Asia-Pacific 4. Peter Bracher - Managing Director NSF Asia-Pacific 5. Tapanee Junhom
